Kissing Bridge Trail Studio Tour

Welcome to the breathtaking southern Ontario country of Elmira, St. Jacobs, West Montrose, Conestogo and surrounding area. It is here where you'll find gorgeous fall colours, winding rivers and an area rich in culture and history.

The Kissing Bridge Trail Studio Tour is named after one of the oldest covered bridges in the area, located in West Montrose. The Trans Canada Trail also runs through this fascinating area—as a result, this section of the Trail was named the Kissing Bridge Trail.

It is this unique time when artists and artisans open their doors and welcome you into their work places. You will discover how their artwork is made and what inspires them!

Start anywhere and make up your own route. Perhaps you may even enjoy a cup of hot cider or coffee as you make your way through this eye-opening event.
